LAND SHARK K-9 CAMERA

STABLE 360° VIDEO FOR YOUR K9 PARTNER

COMPLETE, STABILIZED VIEWING

Our stabilization and 360° recording technology eliminates shaking and movement during operations so every angle is clear and usable.

LIGHTWEIGHT INTEGRATION

Beats the competition at under 2 lbs and adapts to any vest.

LOW COST, HIGH VALUE

Half or less of the cost of other K9 systems with 8x the battery life.

SIMPLE, FAST DEPLOYMENT

One-handed, quick release, simple interface.

KEY FEATURES

Omnidirectional video allows for you to see the entire 360-degree operational picture.

Make faster real-time decisions with **instant Android/iOS/ATAK device transmission**.

Send your K9 in only once, with **full 360-degree video replay**.

Maintain control & communication from a safe distance with **two-way audio & pre-recorded commands**.

Stream, store, & review footage from anywhere with Wi-Fi/4G cloud streaming capabilities. Full integration with EVIDENCE.COM.
